BACKGROUND *I am a self motivated software developer and self made robotics engineer. I also enjoy computer networking since its a fundamental element in computing. Currently, I am in my final year B.Sc Computer Engineering at the University of Zimbabwe. I own ONYX Tech, which focuses on revolutionizing the field of robotics in Zimbabwe.*

PERSONAL DETAILS
Date of Birth , 29 March 2003
Gender , Male

EDUCATION
University of Zimbabwe (UZ) , Harare
Bachelor of Science Honors Degree in Computer Engineering
Currently studying
University of Zimbabwe , Harare
Cisco Certified Networks Associate (CCNA)
August 2025

RESEARCH EXPERIENCE
Fine tuning a Large Language Model (LLM) for a specific task.
Low Rank Adaptation and Reinforcement Learning have been employed to fine tune Gemma-2b Model to be able to answer customer queries 24 hours a day everyday. A customer service chat bot.

PROJECTS

- SMS Based chat bot system for poultry farming using Python RASA and JavaScript's react native framework.
- Mobile app ROS2 Robot Tele-operation while viewing camera data using Android Studio
- Market prediction using price action from Japanese candlesticks for Stock, Forex or Indices markets.
- Autonomous fertilizer and pesticide spraying robot.
- Customer service chatbot for Empowerbank where I did my internship.

TECHNICAL SKILLS
Software Languages: Python, Arduino, Javascript, React, Git, PHP,
Simulation Software: ROS (Robot Operating System)
Modeling Software: Blender
Databases: MySQL, MongoDB
General: Machine Learning, Deep Learning, Computer Vision, Large Language Modeling

PROFFESIONAL ACHIEVEMENTS
THIRD POSITION IN THE ICRA BOTS AND BENTO ROBOTICS COMPETITION , – 2024
As a team of five, we managed to take the third position in the Pallet picking robot held in Japan where we competed against all countries in the world.

SECOND POSITION IN THE PAN AFRICAN ROBOTICS COMPETITION , – 2023
As a team of five, we managed to take the second position in the Agricultural Robot

contest held in Senegal, competing against all the countries in Africa.

NETRO ELECTRONICS ZIMBABWE CERTIFICATE OF PARTICIPATION, – 2019

Had an opportunity to be part of the Python Programming Language during my high school. see attached my certificates i received from the organizers

LANGUAGES

- Shona
- English
